

Term 2 Week 3 2018

Dear Whanau/Parents/Caregivers

- **Writing:** This week the student have completed their writing assessment relating to the reading they have been doing. I am looking forward to reading through and marking each of their descriptive writing pieces. The students also completed a handwriting sample this week.
- **Math:** The students began discussions in math about units of time. We will be continuing our work on measurement and number for the rest of the term.
- **Reading:** To students are continuing to work on activities relating to World War 1 and the Anzac soldiers as part of their reading. It has been great to see the students so engaged and keen to read about the events of an important part of our history.
- **Science:** Thank you to all of Room 1 parents that transported and supervised the students at the Fonterra Science Roadshow on Tuesday this week. The students were thrilled with the experiments and intrigued with the scientific explanations, a great morning's experience was had by all.
- **Dramatic Recitations:** It is important that your child keeps to the the timeline as much as possible to be prepared for the finals in the class. This week your child should have been practising their recitation and preparing to practise in pairs in class. They should also be thinking about props and costumes. Masks should preferably cover only the top half of your face. Next week students should be practising in front of a mirror. They should be considering clear enunciation, appropriate hand gestures, comfortable stance, keeping their head up and eye contact.
- **House Day:** Monday was House Day which was run by the senior students from Room 3. It was a great day with all students being involved in a range of games and activities within their houses. We are looking forward to the next house day.
- **Auckland Live:** We have begun learning a waiata in class as preparation for our visit to Auckland Live later in the month. Our school will be performing the waiata while we are at the Auckland Live event on Tuesday the 29th May.

Notices/Events:

There have been notices sent home this week with selected students.

- No notices have been sent home this week.

Enjoy your weekend.

Nga mihi
