Strive For Success

Purapura Room Five Weekly Update, T2W4.

Kia Ora to our Purapura Room Five parents and whānau,

Highlights of our week include:

- **100 NIGHTS READING:** Well done to Tyler Chesham for being our first student to reach 100 nights reading. I cannot stress enough the importance of your child reading each night.

- **Testing Week:** Due to reports we are having a testing week next week to obtain up to date data.
- **Before school:** Children are required to be at school by 8.55am ready for learning, again they are expected to carry their own belongings and put bags and bookbags in the appropriate places themselves. I am very impressed with the majority of the students walking into the school and sorting themselves out independently. Well done!
- **Netball:** The students will be starting netball lessons on Thursday.
- **House Day/Pink Shirt Day:** The students had a good time last week with House Day which was organised by the senior students. Well done to those students who wore a pink shirt on Friday to raise awareness for anti-bullying.
- **Spare clothes:** As the weather begins to get wetter for children to be able to play on the field - they must have a spare change of clothes in their school bags. **This is compulsory.** This just needs to be old mufti clothes.
- **Recitations:** All students now have their poems. These needs to be practiced at home as a homework task ready for Recitation Day.
- **Newsletters:** To keep up to date with upcoming events please read the school newsletter each week. You will find all newsletters and updates on the school website. www.hunua.school.nz
