## VALUES:

All students at Hunua school understand our values that are at the heart of our learning. Our students know that to be an ideal Hunua learner we 'Strive for Success' and always use our RiCH values.

<b>R</b>	Respect	Show respect by using manners, addressing others by their correct title, using all equipment for the purpose it was designed.
<b>i</b>		
<b>C</b>	Caring	Caring for myself, others and the environment
<b>H</b>	Honesty	Be truthful and trustworthy

As a student at Hunua School I strive to:		
<b>Respect</b> 	(Courteous) (Dignity) (Honour) (Considerate)	Show respect for myself, others and for all property through the way I behave.
		At all times I will treat others as I would like to be treated.
		Show courtesy to everyone.
<b>i</b> <b>Caring</b> 	(Cooperative) (Tolerant) (Modest) (Unifying) (Responsible)	Care for myself
		Care for others
		Care for the environment
<b>Honesty</b> 	(Integrity) (Honour) (Trustworthy) (Tactful)	Be truthful and trustworthy

Every Wednesday the students in Kahikatea have been involved in RiCH lessons. The students discuss and record ways in which they see, hear and feel the RiCH values being displayed in and

around Hunua School in a range of locations with a variety of people. If you want to read some of the examples come into our class and read our RiCH Values wall.

## PARENT SURVEY:

Thank you for all responding so positively to the parent and child survey that was been sent home at the beginning of the term.

## EXPECTATIONS:

The majority of the class are now aware of the class routine and are able to organise themselves in the morning. This includes being able to bring their book bag into the classroom, placing their Kluwell book into the basket, ensuring any notices or money for items or donations are handed in and getting their pencil cases out in preparation for the start of the day.

All class members are aware of how they need to work together to help each other learn and grow academically, socially and emotionally.

The students have now had experience with the type of curriculum work standard that will be expected in the class. All students will be expected to work to the best of their ability and beyond to ensure they are challenging themselves. The old adage of 'near enough is good enough' is **not** something we will be aspiring to in Kahikatea.

Being packed up and ready at the end of the day with pencil cases put away, book bags in their school bags and the classroom neat and tidy is an end of the day routine the students have almost mastered this term.

## JUNIOR AQUATIC CARNIVAL:

All students participated well on our annual Junior swimming day. Every child made progress with some aspect of their swimming this term and they should all be very proud of their efforts.
