HOMEWORK:

SPELLING: essential word lists.

READING: Room 4 are on the way to read for 100 nights. The children are to read and record what they have read. Parents please sign the reading journal, this helps to keep track. These logs are checked on a Monday morning. The class was introduced to 'epic'. This is an online site with a variety of free books. We will learn how to use 'epic' at school, and then make it available for home use.

MATH: Number knowledge steps. These are to be instant knowledge. The children have 3 seconds to answer each question.

WRITING: Night Zookeeper is available for the children to access at home, if you would like them to. We will be using this as a platform to 'publish' and share in the writing process.

STUDY LADDER: We will use it throughout the year to assist our learning in a variety of subject areas. The children will have access to this at home. I will not set homework from here; however, the children may want to finish our class set tasks at home. This is your choice.

ONLINE HOMEWORK. I will not set homework that needs to be completed online. This is a parent decision. If your child is online, I would suggest 10 -15 minutes only. Homework also needs to be 'working together time'.

Where to find information

Hunua School Web site. All information.

Weekly School Newsletters. There is lots of general information here. The up and coming events will also be listed.

Hunua School Facebook. Here you will find photos and images of the major events. For example Hunua School Cook Out.

Hunua School App. We will send last minute reminders.

Class Weekly. This is where you will find the children's highlights of the week, and any images of special achievements from that week. I will try to include a summary of the learning, or any links we have used, to help with the home school discussion. Hopefully it will help to cut down on the "What did you do at school today", "Nothing" conversation.

Upcoming Events: Please see the School Newsletter.
