WHERE TO FIND INFORMATION

Hunua School Web site. All information.

Weekly School Newsletters. There is lots of general information here. The up and coming events will also be listed.

Hunua School Facebook. Here you will find photos and images of the major events. For example Hunua School Cook Out.

Hunua School App. We will send last minute reminders.

Class Weekly. This is where you will find the children's highlights of the week, and any images of special achievements from that week. I will try to include a summary of the learning, or any links we have used, to help with the home / school discussion. Hopefully it will help to cut down on the "What did you do at school today?", "Nothing" conversation.

Upcoming Events: Please see the School Newsletter.

ROOM 4.

Library. We do not have a specific library place at present. As the term progresses, we will set up systems to issue school books. There are public libraries in Papakura and Pukekohe. The children are encouraged to read every night, and to read a wide variety of materials. Eg. The recipe for that nights tea, the instructions to build something, the junk mail.

Environment day. Every Thursday. The children will venture out into our school and collect things that do not belong, and place in the correct place.

School Assembly. Every Friday afternoon. These are hosted by a different class room each week.

Bible. Every Wednesday morning.9:00 – 9:35

MATHS We have been learning how to write in a grid book. Here are a few links for math games. One is printable, the other in online.

LITERACY. Room 4 have re-caped Reading to someone, Listening to reading and Word work. We also started to learn about Read to Self. Room 4 have started to learn how to write in a book. Revisit 'Reading to someone', 'Reading to self', 'Listening to Reading' and 'Work Work' Must Do's. When these are set, I will be able to introduce 'Working with a group'. This will ensure quality reading skill time with an adult

PHYSICAL EDUCATION. Swimming. Everyday. We have been working on how to conserve energy while we are floating and breathing, both on our back and front.

HEALTH. Life Education Visits. Room 4 learnt about being 'Unique'. We were also treated to a visit from Constable Dan and the Auckland Transport. These fantastic people reminded us how to cross the road safely and what to do when walking past driveways.

Student voice - highlights of the week:
