HOMEWORK:

SPELLING: essential word lists.

READING: Room 4 are on the way to read for 100 nights, some are now heading for 200! The children are to read and record what they have read. Parents please sign the reading journal, this helps to keep track. These logs are checked on a Monday morning. Epic is an online site with a variety of free books. **MATH:** Number knowledge steps. These are to be instant knowledge. The children have 3 seconds to answer each question.

WRITING: Night Zookeeper is available for the children to access at home, if you would like them to. We will be using this as a platform to 'publish' and share in the writing process.

STUDY LADDER: We will use it throughout the year to assist our learning in a variety of subject areas. The children will have access to this at home. I will not set homework from here; however, the children may want to finish our class set tasks at home. This is your choice.

ONLINE HOMEWORK. I will not set homework that needs to be completed online. This is a parent decision. If your child is online, I would suggest 10 -15 minutes only. Homework also needs to be 'working together time'.

There's always plan 'B'.

I'm going to train my brain.

I can learn anything I want to.

When I'm frustrated, I persevere.

I like to challenge myself.

When I fail, I learn.

If my classmates succeed, I'm inspired.

GROWTH MINDSET MAN

Plan 'A' didn't work.

I just can't do this.

I'm either good at it or I'm not.

When I'm frustrated, I give up.

I don't like to be challenged.

When I fail, I'm no good.

If my classmates succeed I'm threatened.

DR FIXED MINDSET

VS

What am I missing?

I'm on the right track.

I can always improve so I'll keep trying.

This may take some time and effort.

I'll use some of the strategies we've learned

Is this my best work?

Mistakes help me to learn.

I'm going to learn how to do it too.

I'm not good at this.

I'm awesome at this.

I can't make this any better.

This is too hard.

I give up!

It's good enough.

Oh no! I made a mistake.

I'll never be as smart as they are.
