HOME LEARNING:

SPELLING: essential word lists.

READING: 200 Nights of Reading!

WRITING: Night Zookeeper is available for the children to access at home, if you would like them to. We will be using this as a platform to 'publish' and share in the writing process.

STUDY LADDER: General learning (Spelling, Math, Social Studies, and Science etc).

ONLINE HOMEWORK. I will not set homework that needs to be completed online. This is a parent decision. If your child is online, I would suggest 10 -15 minutes only. Homework also needs to be 'working together time'.
