

# Hunua School

Strive For Success

Dear Parents/Caregivers,

2018 Term 1 Week 10

Well here we are at the end of the first term. We have achieved a lot this term, both in the classroom and out of the classroom with Life Education, Junior Swimming, cricket taster sleepover, Zoo trip and the Triathlon. I hope after all of this that the children have a well earned break, rest up and come back ready for what is lining up to be another very busy term.

- **Well Done** again to those students who are walking into school from the gate and leaving Mum and/or Dad at the gate. You are on your way to becoming independent citizens of Hunua School.
- **Uniform:** The teachers have noticed that there is casual attitude towards wearing correct uniforms. If your child does not have their correct uniform a note needs to be handed into the class teacher so that the student can be given a uniform pass.
- **Long Hair:** those girls who have long hair must have their hair tied up. This is a school policy and it is a health issue when hair is not tied up.
- **Holiday Reading:** During the holidays I encourage the students to keep up their reading, this can be with poems, letter books (still have high frequency words), high frequency words (put them in a sentence) any favourite stories at home. Fill in those Kluwell books :-).
- **Reminder:** This is the last week of school. School finishes on Friday at the usual time. School will start again on Monday 30 April.
- 

Have a fun break and travel safe everyone, see you all next term.
