

Dear Parents/Caregivers,

2018 Term 4 Week 3

Well done to all the children with their efforts for Ag Day. You should all be proud of each and every one of them for the work on either their animals or gardens plus all the amazing work on the wonderful inside exhibits.

- **READING:** We have now settled into our daily routines, please keep up the great work you are doing with the children at home and signing their Kluwell books regularly, this work supports reading immensely.
- **100 NIGHTS:** Well done to Ben for achieving 100 nights of reading.
- **MATHS:** Children are working well with fractions and are able to tell me what a fraction is (an equal part of a whole) and show me by colouring in a half or by splitting a shape in two.
- **DONUT NEWS:** Starting next Monday we will be doing donut news. This means the children ARE allowed to bring 1 item of their choice (with your permission) to school per day from Monday to Friday to share with other friends in Room 6. These items will strictly stay in their bags all day, if they are played with during break times they will be confiscated by myself until the end of the week and returned on a Friday.
- **HATS:** It is a school policy and compulsory that uniform sun hats are worn outside during Terms 1 and 4. Please ensure your child has a NAMED hat during the first week of Term 4 - Thank you.
- **REPORTS:** I will be starting my testing next week for the interim and anniversary reports for students that have been at school for either 6 months or a year. Not all students in the New Entrants receive a report at the end of the year as it is all based on how long they have been at school. They will all receive a report based upon when they have been at school for 6 months, 1 year, 18 months, 2 years etc.
