VALUES:

It is great to have all of our students back enthusiastic and ready to learn. Our Kahikatea students have shown that they are great role models to others and are using our values that are at the heart of our learning. Our students certainly have these values embedded into their everyday lives and know that to be an ideal Hunua learner we 'Strive for Success' and always use our RiCH values.

We have a new student who has started in Kahikatea this week. All of our students have made Katana feel welcome and we are looking forward to getting to know her better as the term progresses.

EXPECTATIONS:

As the new term begins it is important to remember that our students should now be working toward becoming more independent and should be able to organise themselves to be prepared for the morning. This includes being able to bring their book bag into the classroom, placing their Kluwell book into the basket, ensuring any notices or money for items or donations are handed in and getting their pencil cases out in preparation for the start of the day. Reminders of all of these things are in the cloak bay for them.

We will be continuing to work on developing the skills required to ensure the students are able to work together to help each other learn and grow academically, socially and emotionally.

As expressed in the end of term one newsletter the expectation for the standard of work in Kahikatea this term will increase. It is expected that each student will work to the best of their ability and beyond in order to challenge themselves.

As a student at Hunua School I strive to:	
R espect 	Show respect for myself, others and for all property through the way I behave.
	At all times I will treat others as I would like to be treated.
	Show courtesy to everyone.
Show respect by using manners, addressing others by their correct title, using all equipment for the purpose it was designed.	
C aring 	i
	Care for myself
	Care for others
Care for the environment	
Caring for myself, others and the environment	
H onesty 	Be truthful and trustworthy
	Be truthful and trustworthy

Come into class and check out our RiCH values wall.
