

Scarecrow – Agricultural Day 2020

Children not rearing an animal can complete a Scarecrow Assignment. That means they can make a scarecrow and write an explanation of the process they followed. Check that you have covered the set criteria below to gain maximum points in each category.

Your scarecrow must:

- Be made from reused, recycled, or upcycled materials.
- Be able to stand alone.
- Can be made using hay/straw if you wish (contact Ms Thompson if you need to source this)
- Be clothed
- Be life-sized

You need to complete an explanation of the procedure either written or photos or both of the making of the scarecrow.

Judges will be marking on the following:

- Presentation of the scarecrow
- It's ability to stand alone
- Explanation of the making of your scarecrow

Scarecrow Assignment and explanations **are to be handed in on the morning before Agriculture Day (Friday the 16th October, 2020)** for judging. If you need any further information please contact Ms Thompson mthompson@hunua.school.nz

REMEMBER: This is to be your work not your parents.
