Dear Hunua School Families,

It is with heavy hearts that the Ag Day Committee has decided that Ag Day as we know it will not be going ahead this year.

As you may be aware, the new Delta variant has already put a stop to many other Ag Days in the Franklin district. The Ministry of Education has recommended that such events can only be held under Alert Level 1.

With our Ag Day only a few short weeks away and Level 1 still currently a hopeful prospect, we have had to consider the situation our School families find themselves in, not least the expense of continuing to feed animals for a day that may not happen.

For many of our families participating in Ag Day has always been something to look forward to. And hopefully for some - Lockdown has strengthened the bond between students and their animals, been a welcome opportunity to master the Ag day assignment or get really stuck into an epic Hobbit Hole creation.

With that in mind we have decided that this year's Ag Day 2021 is going digital! We want to capture the hard work our students have put into caring for their animals and our natural world. Coveted ribbons and certificates will still be up for grabs in new and exciting categories. Please read the attached flyer carefully to find out how much fun you can have entering this year's "Ag Day Online!"

Please note: All Ag Day 2021 donations paid to date will be refunded. Email Kelly Burnie at kjbree@gmail.com with your bank account details.

Richard Nelson
