SCHOOL AG DAY

online

Here's what you need to know.

After many hours wrestling calves or watching grass grow on your Hobbit holes, its time to start preparing your submissions and diaries for entry.

Below is some helpful information to assist you in this process.

All submissions are required by 30 October 2021

Calves, Lambs, Kids & Small Animals

Remember we want you to capture the great relationship you have with your animal by using video and photography. It is all about having fun with your pet.

Our traditional 1st, 2nd & 3rd ribbons and rosettes for both the video and photo categories are up for grabs, so be into win!

1. VIDEO ENTRY (Maximum 2 minutes)

Some of the things you could tell us about your animal are:

- The name of your animal
- The age of your animal
- What does your animal like to eat?
- What are some of the strange or interesting things that your animal does?
- Tell us a funny story about you hanging with your animal.

How to submit your video entry

Please submit your video entry via **YOUTUBE**.
