

HOBBIT HOLE DIARY 2021

Tell us about your journey ... how you made your Hobbit hole.

It will help to have photos of the stages of making. If you don't have photos, you can draw pictures of what you did instead.

Make sure you have:

- ★ **A cover - a picture of your hobbit hole would look good on the cover & don't forget to put your name**
- ★ **What things did you use to make your Hobbit hole & why?**
- ★ **How did you make your grass grow? Water / fertiliser / where did you put it while it was growing / trimming / ...**
- ★ **What did you have to find out about while you were making your Hobbit hole?**
- ★ **What did you learn that you didn't already know?**
