Welcome Back

Miss Bronwyn Clegg is back on deck. Bron would like to thank all her well wishers. The positivity from students, parents and her colleagues have certainly helped her recovery. Bron starts back in her room (Rimu 6) on Wednesday this week. It has been as slow and frustrating recovery. Bron is gradually regaining the use of her wrist after surgery, but has work to do in order to make a full recovery. It is really tiring to come back to work after such a long time away. We won't be surprised if we find Bron curled up having a quick nap in the sickbay at the end of the day. Welcome back.

A HUGE thank you

Thank you to Mrs Sally Wood (1st two weeks) and Mrs Linda Roberts (8 weeks) relieving in Rimu 6. You have offered our students stability and support, enabled learning to continue, and provided challenges and fun. The students in Rimu have continued to make progress due to the quality of our relievers and Bron preparing work from home. It has been great team work. Linda has provided valuable feedback on each student. This has enabled Bron to write their mid-year reports based on both term 1 and 2 work. This has been massive!

Wonder Project Come and see the launch! Thursday 9:00-10:00am

You will have followed the progress of Mahoe and Rimu 6 in our newsletters. Richard and Angela Finley, two of our very cool parents, have been the experts for this project. They taught the kids about engineering, planning, fair testing, building proto-types, rebuilding proto-types, the physics behind launching a rocket, etc.

All the other classes and any interested parents and whanau are invited to see these two classes launch their rockets.

We are very lucky too as the school gets to keep the rocket launcher and safety equipment so the programme can be repeated with future classes.

Reports & Interviews

Your child's mid-year report comes home on Thursday. We will be having interviews to give you the opportunity to discuss the report in Week 4, Tuesday 13 August and Wednesday 14 August. The interviews will be 15 mins to allow better time for discussion and sharing. Booking sheets will come home in Week 1.

Shortly after the interviews we will hold discussion groups one evening so you can give your feedback on both the reports and interviews. Teachers will also be involved in this process so we can determine the most effective way of reporting for the end of the year.

Trees 4 Survival Planting day

Mahoe is busy planting hundreds of trees at Camp Adair. The trees were all raised at school and help to improve areas of in the Hunua local community from erosion or waterways. Next term we will have an article about the planting and photos for you to enjoy.

Congratulations

Last Monday a group of our Yr7 & 8 netball girls took part in ECCS trials. With about 80 other girls trialling this years trialists were hungry for a place in one of the four teams to play in the Counties Yr7 & 8 Netball Tournament. Our girls trialled hard and played well, we are very proud of you all of how you represented our school.

Congratulations to Lucy Gilmour Year 8A Team & Tobey Huang Year 7B Team. Lucy & Tobey with their ECCS teammates will be representing ECCS at the end of July. All the best!

Cross-country

Will be held this Friday starting with our Yr7 & 8 girls, kick off will be 12.20pm. We will endeavour to be completed by 2.40pm. If you need times for when your child/ren will be running please contact our office. All are very welcome to watch. If the weather isn't on our side and it's too wet then only Yr4-8 will run and Yr1-3 will catch up in Term 3.

HOUSE COLOURS ARE TO BE WORN ON CROSS COUNTRY DAY PLEASE...

*Term 3 begins on Monday 22nd July.
See you all then!!*

We wish you a very happy birthday and hope you have a great day
